Key Benefits with Bharti Life Growth Shield Plus

1. Death Benefit

In case of death of the Life Insured during the Policy Term, Death Benefit will be payable to the Nominee or the Policyholder as the case may be, subject to Policy being in force.

Death Benefit, which is the highest of:

- Sum assured less applicable partial withdrawals[#] amount from the Fund value

- Policy Fund Value inclusive of Loyalty additions* (if any) as on date of intimation of death of the Life Insured
- 105% of all total premiums paid as on date of death less applicable partial withdrawal[#] amount from the fund value

*Loyalty additions added to fund value on maturity and will be paid out in case of death during settlement period in case settlement option is opted for.

[#] Partial Withdrawals made from the Fund Value during the two years' period immediately preceding the date of death of the life insured is referred to as the Applicable Partial Withdrawals.

Where, the Sum Assured is as defined as Annualized Premium x Death Benefit Multiple (DBM)[§].

[§]The DBM is subject to a minimum of 10 times and a maximum subject to Board Approved Underwriting Policy.

[#] Annualized premium shall be premium amount payable in a year excluding the taxes, rider premiums and underwriting extra premium on riders, if any

The Policy shall terminate upon payment of Death Benefit. In case of the death of the Life Insured during the grace period allowed for payment of due premium, the Death Benefit (as defined above) shall be payable and the Policy will be terminated. The nominee will not have any rights or obligations except to receive the benefits under the policy

The risk coverage will start from the Date of Commencement of Risk for all lives.

In case of the death of the Life Insured while the policy is in a discontinuance status and the monies are a part of the 'Discontinued Policy Fund', the Policy Fund Value as on the date of intimation of death shall be payable and the policy will terminate.

In case of the death of the life insured during the Settlement Period, the Higher of Policy Fund Value as on date of intimation of death or 105% of total premiums paid at the time of death shall be payable to the nominee/legal heirs and the policy will terminate.

2. **Maturity Benefit**

Policy Fund Value inclusive of loyalty additions as on date of maturity. Fund Value is defined as the total value of units in a segregated fund i.e. total number of units under a policy multiplied by the Net Asset Value (NAV) per unit of that fund.

Return of all charges

Return of Premium allocation charges (RoPAC): - Two times the Premium Allocation Charges shall be returned after the completion of the 10th Policy year and onwards as provided in the table below.

Return of Premium Allocation Charges from the end of	Premium Allocation Charges deducted earlier in the
10 th Policy year	1 st Policy year
11 th Policy year	2 nd Policy year

12 th Policy year	3 rd Policy year
13 th Policy year	4 th Policy year

RoPAC will be allocated to the Policy by creating additional Units across Investment Funds, in the same proportion as the investment fund allocation instruction then in effect. RoPAC shall not be credited in case of Surrender, Discontinued or Paid-up Policy. RoPAC is applicable to be paid on Reinstated policies. The Premium Allocation Charges shall be so returned in the same Premium Payment Mode as that in which it was deducted during the Policy Term. Eg. For annual mode policy, premium allocation charge will be deducted annually and returned annually and for monthly mode policy premium allocation charge will be deducted monthly and returned monthly.

Return of Mortality charges (RoMC):

A multiple of the Mortality Charges starting from the 11th Policy year and onwards shall be added to the Policy Fund Value as stated below.

At the end of each month starting from the 11th Policy year, a multiple (as provided in the table below) of the Mortality Charge excluding Goods & Services Tax and cess and underwriting extra charge; deducted in the month which is 120 months prior shall be added to the Policy Fund Value in the form of additional units. For the sake of clarity, the 1st Policy month's Mortality Charge shall be added back to the Policy Fund Value in the 121st Policy month; the 2nd Policy month's Mortality Charge shall be added back to the Policy Fund Value in the 122nd Policy month; the 3rd Policy month's Mortality Charge shall be added back in 123rd Policy month; and so on until the end of the Policy Term.

The multiple of Mortality Charges that shall be added to the Policy Fund Value would vary depending upon the Policy years as follows:

Policy Years	Multiple of Mortality Charges
1 to 10 years	Nil
11 to 20 years	1 time of the Mortality Charges collected during the 1 st to 10 th Policy year
21 to 30 years	2 times of the Mortality Charges collected during the 11 th to 20 th Policy year
31 to 40 years	3 times of the Mortality Charges collected during the 21 st to 30 th Policy year

Return of mortality charges will be allocated to the Policy by creating additional Units across Investment Funds, in the same proportion as the investment fund allocation then in effect. Return of mortality charges shall not be credited in case of Surrender, Discontinued or Paid-up Policy. Return of mortality charges is applicable to be paid on Reinstated policies.

3. **Settlement Option**

On Maturity You may choose to receive the Policy Fund Value as:

1. Option 1 - A lumpsum payment on the date of maturity
2. Option 2 - At regular intervals chosen by You, during the Settlement Period as defined below
3. Option 3 - A combination of the above

In case of options 2 or 3, the inherent risk of fluctuating markets during the Settlement Period, in respect of Policy Fund Value, shall be borne by the Policyholder

The Settlement Period is the Period not exceeding five years commencing from the Date of Maturity and is an option available to the Policyholder at Maturity. The first installment will be payable on the Maturity Date.

The Policyholder is required to apply to

- The Company, in the specified form, intimating the choice at least 90 days prior to the Date of Maturity.
- The default option in case of non-receipt of such an application would be Option 1 as mentioned above.
- In case Options 2 or 3 are chosen, the Policyholder is required to choose a frequency of withdrawals (monthly/quarterly/semi-annually/annually) from the Fund.
- During the Settlement period the death benefit shall be higher of existing Policy Fund Value as on date of intimation of death or 105% of total premiums paid as on the date of death. The mortality charges shall be deducted accordingly.
- Depending on the frequency of withdrawals chosen, the number of units as on the date of maturity will be divided equally as per the frequency. The withdrawal amount will be calculated with the respective Unit Prices of the relevant Investment Funds to which the Annual Premiums have been allocated as on their Valuation Dates, multiplied by the number of units.
- The Company shall levy fund management charge and mortality charge during the settlement period and no other charges shall be levied.
- Partial withdrawal and fund switching will not be allowed during the settlement period, however you can completely withdraw from the policy anytime during the settlement period and no charges will be levied.
- If the Life Insured dies during the settlement period, then the higher of existing Policy Fund Value as on date of intimation of death or 105% of total premiums paid as on date of death shall be paid to Nominee and the Policy will stand terminated.

4. **Loyalty Addition**

Loyalty Additions: Provided the policy is in-force and all due premiums have been paid, The Loyalty Additions shall be added to the Policy as a % of the average Policy Fund Value of the three years preceding the Date of Maturity depending upon the Policy Term and Premium Payment Term. Loyalty Additions will be allocated to the Policy by creating additional Units across Investment Funds, in the same proportion as the investment fund allocation instruction then in effect. Once added, they will become payable along with the Policy Fund Value.

a. Investment Strategies

At inception of the Policy, You may also choose to allocate the premium/s in one of the Investment strategies as per the conditions of the Product, with a maximum of two Investment strategies being available. You shall have the option to choose only one of the Strategies at a time.

Investment Strategy	Description								
Dynamic Fund Allocation	<div>1. This Strategy can only be chosen on inception of the Policy.</div> <div>2. In case this strategy is chosen at inception, the 1st and subsequent premiums will be allocated (after deducting Premium Allocation Charges) to Grow Money Plus Fund.</div> <div>3. During the last 5 years of the Policy Term (before maturity), the funds will automatically re-balanced between Grow Money Plus Fund and Steady Money Fund to protect You against any adverse movements in the equity markets.</div>								
	<div>The Company will automatically allocate the monies between Grow Money Plus Fund and Steady Money Fund, from the end of 5th year before Policy Maturity, in a pre-determined manner as described below through switching Units in the respective Fund</div>								
	<table><tr><th>Year</th><th colspan="2">Existing Funds</th></tr><tr><td></td><th>Grow Money Plus Fund</th><th>Steady Money Fund</th></tr><tr><td>(PT-5) yr</td><td>80%</td><td>20%</td></tr></table>	Year	Existing Funds			Grow Money Plus Fund	Steady Money Fund	(PT-5) yr	80%

		(PT-3) yr	70%	30%	
		(PT-2) yr	50%	50%	
		(PT-1) yr	0%	100%	
	<p>4. The Company will not levy any switching charges for the operation of the Dynamic Fund Allocation strategy</p> <p>5. You may opt out of the Dynamic Fund Allocation option during the Policy Term by giving the Company prior written request, in which case this option will cease to be effective from the Policy Anniversary following the receipt of the request. In such instances, the existing funds shall continue to remain in the vested funds and new Premium amounts will be allocated basis the funds and proportion chosen at inception i.e. 100% in the Grow Money Plus Fund, unless specified otherwise by the Policyholder in the written request.</p> <p>6. Dynamic Fund Allocation will continue to be active in Reduced Paid- Up status</p> <p>7. Once You opt out, You shall not be permitted to recommence the Dynamic Fund Allocation option during the Policy Term.</p> <p>8. While Dynamic Fund Allocation is operational, Switching in or out of the Steady Money Fund will cause the Dynamic Fund Allocation to cease</p>				

Systematic Transfer Plan (STP)	<ol style="list-style-type: none"> 1. This Strategy can only be chosen on inception of the Policy. 2. If the Systematic Transfer Plan is opted, then the Company will automatically allocate the Premium received (after deducting Premium Allocation Charges) to purchase Units in the Safe Money Fund. On each subsequent monthly anniversary, the Fund Value of $[1/(13 \text{ less month number in the Policy Year})]$ of the Units available at the beginning of the month] shall be switched to the Grow Money Plus Fund by cancelling Units in the Safe Money Fund, and purchasing Units in the Grow Money Plus Fund till the availability of Units in Safe Money Fund. For instance: Policy month 1: $1/(13-1) = 1/12$th of the Units to be switched, Policy month 2: $1/(13-2) = 1/11$th of the Units to be switched, Policy month 11: $1/(13-11) = 1/2$ of the Units to be switched, Policy month 12: $1/(13-12) =$ balance Units to be switched. 3. The Company will not levy any switching charges for the operation of the Systematic Transfer Plan. 4. You shall not be permitted to make partial withdrawals from the Safe Money Fund during the period when this option is in force. 5. You may opt out of the Systematic Transfer Plan during the Policy Term by giving the Company a prior written notice, in which case this option will cease to be effective from the next Monthly Policy Anniversary following the receipt of the request. 6. While STP is operational, You are not allowed to change your fund choice. 7. This strategy can be availed only on annual Premium payment mode and will be active during the Premium Payment Term chosen by You provided due Premium has been paid. 8. If due Premium is not received during the Grace Period, STP will cease to be operational. The Premiums received after the expiry of Grace Period will be allocated entirely to the Grow Money Plus Fund, unless otherwise specified by You. 9. If You give the request for Premium redirection or to change to monthly Premium payment mode then such request will make STP ineffective. 10. Once STP ceases to exist, your future Premiums will continue to be invested in the Grow Money Plus Fund chosen at the time of opting STP unless otherwise specified by You.

Case Study

Mr. Bajpai, 35 years old is a businessman whose primary goal is to create financial protection for his family & wants to create a substantial corpus for his retirement years. He requires a plan with high death benefit cover with market linked investments to fulfill these requirements to achieve his goals. He decided to go for Bharti life Growth Shield Plus product offering death benefit cover along with tax benefits he was looking for.

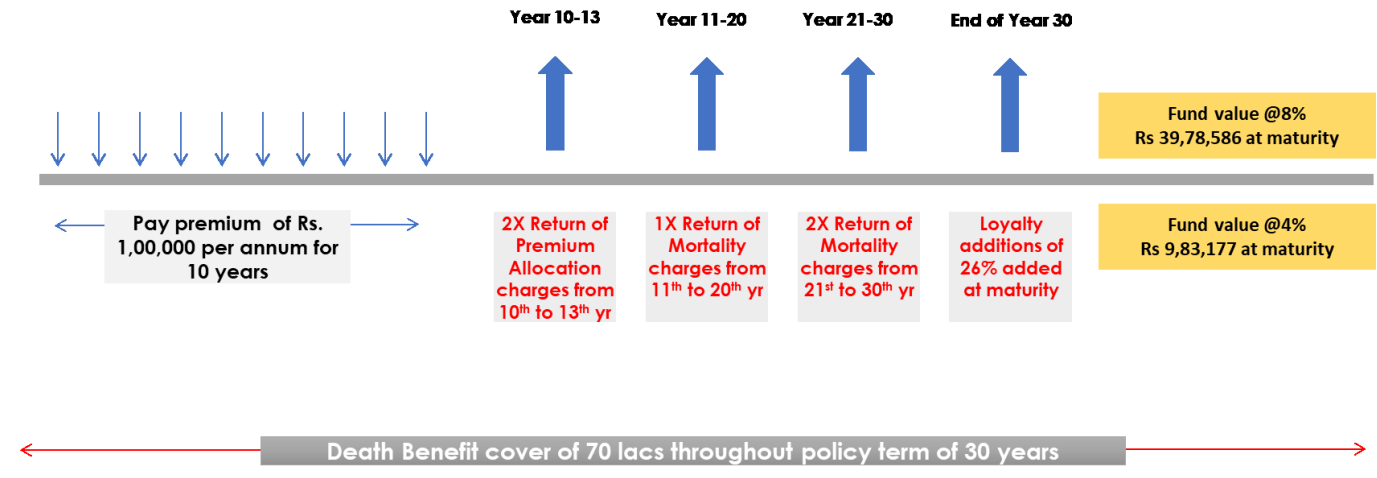

To ensure he is adequately covered, he opts for a Sum Assured of 70 times the annual premium (excluding taxes, riders and loading if any) paid.

Let us look at how Bharti Life Growth Shield Plus, helps Mr. Bajpai fulfill his financial goals

Premium Payment Term	10 years
Premium	Rs. 1,00,000
Policy Term	30 years
Sum Assured	Rs. 70,00,000 (70 times the Premium)
Fund opted	Equity - Grow Money Plus Fund - 100%
Investment Strategy opted	Self-Managed

Fund Value on Maturity*	@4% p.a. Rate of Investment Return Rs. 9,83,177	@8% p.a. Rate of Investment Return Rs. 39,78,586
-------------------------	--	---

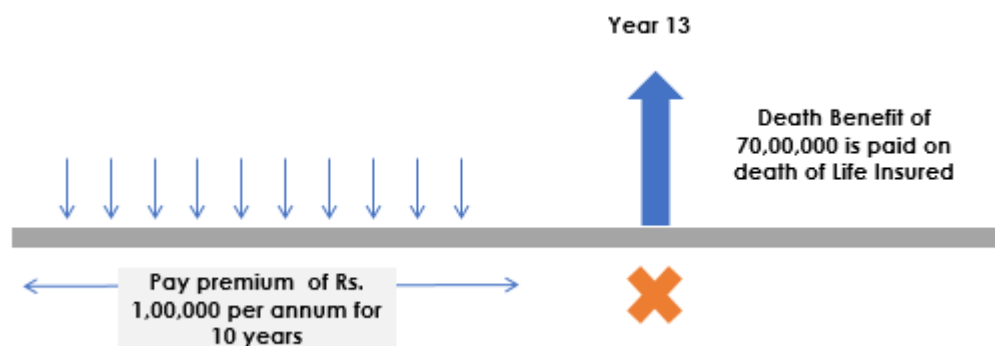

*Fund Value illustrated in the table is not guaranteed. 4% and 8% rate of investment returns are used only for illustration purposes and are not guaranteed.

In case of death of the Life Insured, at the end of the 13th policy year, Death Benefit equal to higher of Sum Assured or Fund Value will be payable to the nominee.

Sum Assured	Rs. 70,00,000	
Fund Value* as on date of death	@4% p.a. Rate of Investment Return Rs. 9,75,220	@8% p.a. Rate of Investment Return Rs. 13,78,772
Death Benefit	Death Benefit equal to Rs. 70,00,000 will be payable to the nominee	

*Fund Value illustrated in the table is not guaranteed. 4% and 8% rate of investment returns are used only for illustration purposes and are not guaranteed.

"Some benefits are guaranteed and some benefits are variable with returns based on the future performance of your insurer carrying on life insurance business. If your policy offers guaranteed benefits then these will be clearly marked "guaranteed" in the illustration table on this page. If your policy offers variable benefits then the illustrations on this page will show two different rates of assumed future investment returns. These assumed rates of return are not guaranteed and they are not the upper or lower limits of what You might get back, as the value of your policy is dependent on a number of factors including actual future investment performance."

Additional Features and Benefits

- a. Liquidity benefit through Partial Withdrawals:** You have the option to apply for Partial Withdrawal of funds from the Policy Fund Value in the specified form, at any time after the completion of Lock-in Period subject to the following:
- The minimum partial withdrawal limit is Rs 5,000. The Policy Fund Value after a partial withdrawal should be at least equal to 120% of one Annualized Premium. The partial withdrawals shall not be allowed which would result in termination of a contract.
 - In a Policy Year, You are entitled to make any number of Partial Withdrawals free of charge subject to the limit of minimum and maximum Partial Withdrawal amount as described above.
- b. SWB (Systematic Withdrawal Benefit):** is an automated partial withdrawal facility which can be opted by You. Under this facility, a pre-decided amount will be withdrawn from the Policy Fund Value from the end of chosen policy year and paid to you till the end of the Policy Term. At the time of the written request to effect the SWB, You need to choose the following:
- ✓ Systematic Withdrawal amount per annum
 - ✓ Policy Year from which the amount under SWB will be payable
 - ✓ Mode of receiving the funds will be Annual only

SWB will be subject to following conditions:

- ✓ SWB will start from 10th policy year or thereafter.
- ✓ Maximum allowed systematic withdrawal should not be greater than One Annualized premium.
- ✓ The amount paid out to you in each installment will be withdrawn as Units from the Segregated Funds which have been invested into in the same proportion. The Units will be calculated as follows:
Systematic Withdrawal Amount chosen/ NAV
- ✓ SWB option can be opted anytime during the Policy Term. Once opted, the SWB options such as Systematic withdrawal amount per annum, Policy year from which the Systematic Withdrawal Benefit (SWB), will be payable cannot be changed.
- ✓ You may opt out of the Systematic Withdrawal Benefit option during the Policy Term by giving the Company prior written request, in which case this option will cease to be effective from the Policy Anniversary following the receipt of the request. Once opted out, the Systematic Withdrawal Benefit cannot be re-chosen.
- ✓ Minimum amount that can be withdrawn under SWB is Rs. 5,000 per installment. If an installment amount to be withdrawn under SWB is less than Rs. 5,000 such installment amount shall not be paid.
- ✓ Fund Value after SWB installment and/or partial withdrawal should be greater than or equal to 120% of one annualized premium.
- ✓ Sum Assured at all times should be at least 10 times one annualized premium.
- ✓ For Policies issued on minor lives, SWB shall not be allowed until the minor life Insured attains majority i.e. on or after attainment of age 18.

Both Systematic Withdrawal Benefit and Partial Withdrawal can be availed simultaneously. SWB will follow all other the conditions of partial withdrawals.

c. Manage your Funds with Switch and Premium Redirection facilities:

- Through the features of Switch & Premium Redirection, You may manage your asset allocation between equity and debt depending on your need. E.g. You can move your money to a low-risk investment fund before the policy matures to protect yourself against any adverse movements in the equity markets.

- You can make any number of switches in a policy year free of charge, subject to the Policy being in force. For Switch facilities, the minimum investment in any allocated fund should not be less than 5% of the Fund Value at the time of allocation
- For Premium Redirection facilities, the minimum investment in any allocated fund should not be less than 5% of the premium amount.

d. Riders Available

For added protection, the following rider can be availed by paying additional premium along with Bharti Life Growth Shield Plus.

e. Premium payment: You can choose Monthly*, Semi-Annual, Quarterly* or Annual.

* Through Auto Pay only

f. Grace period

Grace period is the period, as mentioned below, which shall be applicable to pay all the unpaid premiums, in case the premiums had not been paid as on the Premium Due date.

You get the Grace period of:

- Fifteen (15) days in case of Monthly Premium Payment Mode
- Thirty (30) days in case of Annual/ Semi Annual/ Quarterly Premium Payment mode

to pay the premiums which fell due and the benefits under the Policy remain unaltered during this period.

During the Grace Period, the policy will be in force.

Other Questions You might have

1. What happens if I am unable to pay premiums?

I. Discontinuance of Policy during the lock-in Period:

Upon expiry of the grace period, in case of discontinuance of Policy due to non-payment of premium, the fund value after deducting the applicable discontinuance charges shall be credited to the discontinued policy fund and the risk cover and rider cover, if any, shall cease.

Such discontinuance charges shall not exceed the charges, stipulated in 'Charges' section – Discontinuance charges of this document. All such discontinued policies shall be provided a revival period of three years from date of first unpaid premium. On such discontinuance, the Company will communicate the status of the Policy to You, within three months of the first unpaid premium and provide the option to revive the Policy within the revival period of three years.

- i. In case You opt to revive but do not revive the Policy during the revival period, the proceeds of the discontinued policy fund shall be paid to You at the end of the revival period or lock-in period whichever is later. In respect of revival period ending after lock-in period, the Policy will remain in discontinuance fund till the end of revival period. The Fund management charges of discontinued fund will be applicable during this period and no other charges will be applied.
- ii. In case You do not exercise the option as set out above, the Policy shall continue without any risk cover and rider cover, if any, and the policy fund shall remain invested in the discontinuance fund. At the end of the lock-in period, the proceeds of the discontinuance fund shall be paid to You and the Policy shall terminate.
- iii. However, You have an option to surrender the Policy anytime and proceeds of the discontinued policy shall be payable at the end of lock-in period or date of surrender whichever is later.

The minimum guaranteed interest rate applicable to the 'Discontinued Policy Fund' shall be as per the prevailing regulations and is currently 4% p.a. The proceeds of the discontinued policy shall be refunded only upon completion of the lock-in period.

Proceeds of the discontinued policies means the fund value as on the date the policy was discontinued, after addition of interest computed at the interest rate stipulated as above.

II. **Discontinuance of Policy after the lock-in Period:**

- i. Upon expiry of the grace period, in case of discontinuance of Policy due to non-payment of premium after lock-in period, the Policy shall be converted into a reduced paid up policy with the paid-up sum assured i.e. original sum assured multiplied by the total number of premiums paid to the original number of premiums payable as per the terms and conditions of the Policy. The Policy shall continue to be in reduced paid-up status without rider cover, if any. All charges as per terms and conditions of the Policy shall be deducted during the revival period. However, the mortality charges shall be deducted based on the reduced paid up sum assured only. The benefits payable in case of a Paid-up policy are given below:

Events	Size of Benefits
Death	<p>Paid-up Death Benefit, which is the highest of:</p> <ol style="list-style-type: none"> 1. Paid-Up Sum assured less applicable partial withdrawals[#] amount from the fund value Policy Fund Value (including return of charges already credited as on date of Paid-up) as on date of intimation of death 2. 105% of all premiums paid as on date of death less applicable partial withdrawals[#] amount from the fund value <p>[#](partial withdrawals made during the two year period immediately preceding the date of death of the Life Assured is referred to as applicable partial withdrawals)</p> <p>In case of the death of the life insured during the Settlement Period, the Higher of Policy Fund Value as on date of intimation of death or 105% premiums paid as on the date of death shall be payable and the policy will terminate.</p>

Maturity	Policy Fund Value (including any Loyalty Additions and return of charges already credited as on date of Paid up)
Other benefits	Return of all charges: Will not be applicable in case of Reduced Paid Up policy Loyalty Additions: No Loyalty Additions will be credited to the Policy Fund Value after the Policy attains Reduced Paid-up status
Surrender	a) During Lock in period: Not applicable b) After lock in period: Policy Fund Value (including any Loyalty Additions and return of charges already credited as on date of Paid up)

- ii. On such discontinuance, the Company will communicate the status of the Policy to You, within three months of the first unpaid premium and provide the following options:
 - 1) To revive the policy within the revival period of three years, or
 - 2) Complete withdrawal of the Policy.
- iii. In case You opt for (1) above but do not revive the Policy during the revival period, the fund value shall be paid to the Policyholder at the end of the revival period.
- iv. In case You do not exercise any option as set out above, the Policy shall continue to be in reduced paid up status. At the end of the revival period the proceeds of the policy fund shall be paid to You and the Policy shall terminate.
- v. However, You have an option to surrender the Policy anytime and proceeds of the policy fund shall be payable. Upon receipt of request for surrender, the fund value as on date of surrender shall be payable.

2. How can I revive my Policy?

A policy which has been discontinued or Paid up may be revived for full benefits under the Policy subject to the following conditions:

- a) The application for revival is made within three (3) years from the date of first unpaid premium
- b) Satisfactory evidence of insurability of the Life Insured is produced,
- c) Payment of an amount equal to all unpaid Premiums

The revival shall be as per the Board approved underwriting policy. The effective date of revival is the date on which the above conditions are satisfied and the risk is accepted by the Company. The revival of the Policy may be on terms different from those applicable to the Policy before it lapsed. The revival will take effect only on it being specifically communicated by the Company.

a) Revival of a discontinued policy during lock-in period: Where You exercise the option to revive the policy, the policy shall be revived restoring the risk cover along with the investments made in the segregated funds as chosen by You, out of the discontinued fund less the applicable charges as mentioned below and conditions as mentioned above. The Company, at the time of revival:

- Shall collect all due and unpaid premiums without charging any interest or fee.
- Shall levy policy administration charge and premium allocation charge as applicable during the discontinuance period. No other charges shall be levied.
- Shall add back to the fund, the discontinuance charges deducted at the time of discontinuance of the policy.

b) Revival of a discontinued policy after lock-in period: You can revive the policy, as mentioned above. Where You decide to revive the policy, the policy shall be revived restoring the original risk cover in accordance with the terms and conditions of the policy. The insurer, at the time of revival:

- Shall collect all due and unpaid premiums under base plan without charging any interest or fee. The rider may also be revived at the option of the policyholder.
- Will levy premium allocation charge as applicable.
- No other charges shall be levied.

3. What happens if I want to surrender the Policy?

You can completely withdraw your policy anytime during the policy term by intimating the company.

If You request for Complete Withdrawal from the policy –

- a) **Within the lock-in period*** - The surrender value i.e. the fund value less applicable discontinuance charges as on the date of discontinuance shall be credited to the 'Discontinued Policy Fund' as maintained by the Company. The 'Proceeds of the Discontinued Policy' i.e. the fund value as on the date of discontinuance plus entire income earned after deduction of the fund management charges, subject to a minimum guarantee of interest @ 4% p.a. or as prescribed by IRDA of India from time to time shall be paid to You immediately after completion of the lock-in period.

In case of death of the insured during this period the "Proceeds of the Discontinued Policy" shall be payable to the nominee immediately.

- b) **After the Lock-in Period*** - The total fund value as on the date of complete withdrawal shall be paid to You. On such payment your risk cover will cease and the Policy will terminate.

*Lock-in period means the period of 5 consecutive years from the date of commencement of the policy, during which period the proceeds of the discontinued policies cannot be paid by the insurer, except in the case of death or upon the happening of any other contingency covered under the policy.

4. What are the charges on my Policy?

- a) **Premium Allocation Charge**

The Premium allocation charge is as per the tables below :

Policy Year	% of Annualized Premium
Year 1	12.0%
Year 2	6.0%
Year 3	3.0%
Year 4	3.0%
Year 5 onwards	Nil

The balance allocation amount after deducting the allocation charge will be utilized to purchase Units for the Policy in accordance with the Investment Fund Allocation mentioned by You

- b) **Mortality Charge**

Mortality charges will be deducted from the Policy Fund Value on the Policy Date in each Policy Month. The charge is 100% of Indian Assured Lives Mortality (IALM) (2012 – 14). The annual charge per thousand of Sum at Risk will be based on the attained Age of the policyholder, age last birthday.

Sum at Risk = Higher of (Death Benefit - Fund Value, 0)

If the policy is paid-up: Sum at Risk = Higher of (Paid-up Death Benefit - Fund Value, 0)

The rates of mortality charges are guaranteed to remain the same during the policy term. These charges are exclusive of Taxes

c) Policy Administration Charge

A monthly charge as a percentage of premiums chosen at inception of the policy will be deducted by cancellation of Units at the prevailing Unit Price on the corresponding Policy Date in each Policy Month.

The monthly policy administration charge is 0.50% as a percentage of annualised premium.

The policy administration charge is subject to a maximum of Rs 500 per month.

These charges are exclusive of Taxes.

d) Fund Management Charge

Fund management charge is levied as a percentage of the value of assets and shall be appropriated by adjusting the Net Asset Value (NAV). This is a charge levied at the time of computation of NAV, which is usually done on daily basis.

The following charge will be deducted from the assets of each fund and will be reflected in the unit price of the fund.

Name of the Fund	Charges p.a.
Growth Opportunities Plus Fund	1.35%
Grow Money Plus Fund	1.35%
Build India Fund	1.35%
Emerging Equity Fund	1.35%
Save 'n' Grow Money Fund	1.25%
Steady Money Fund	1.00%
Safe Money Fund	1.00%
Stability Plus Money Fund	0.80%

The Company may at any time revise any/ all of the below mentioned charges to the maximum limits as indicated, subject to prior approval from Insurance Regulatory and Development Authority of India (IRDAI):

- Fund Management Charge: The maximum charge shall not exceed be the cap as prescribed by IRDAI which is currently 1.35% p.a.
- Policy Administration Charge: This charge shall not exceed Rs 6,000 per annum or the maximum limit as prescribed by IRDAI.
- Investment Fund Addition: The Company may from time to time create and add new Investment Funds with different fees/charges with the approval of Insurance Regulatory and Development Authority and consequently, new Investment Funds will be made available to the policyholder. All provisions of the product will apply to the additional Investment Funds unless stated otherwise.
- Investment Fund Closure: The Company reserves the right to close any investment fund by giving 3 months' notice in writing. In such case, option will be given to the Policyholder to change the fund. If the Company has not received valid notification from Policyholder for modification of the Investment Fund Allocation by the time of closure of the Investment Fund, the Company will, switch the funds from the Closing Investment Fund to Stability Plus Money Fund. This switch will be free of charge. Change the Investment Fund Allocation in such a way that the percentage allocated to the Closing Investment Fund is added to the percentage allocated to the 'Stability Plus Money Fund'.

b) Loan

There is no provision of loan on the Policy.

6. How is Unit Price (NAV) calculated?

Computation of Unit Price (NAV)

The computation of unit price (NAV) shall be done as stipulated by the Insurance and Regulatory Development Authority of India (IRDAI), which is as follows:

Market value of the investment held by the fund plus value of current assets less value of current liabilities and provisions, if any, and divided by the number of units existing on the valuation date (before creation/redemption of units)

Appendix I : Section 45 – Policy shall not be called in question on the ground of mis-statement after three years

Provisions regarding Policy not being called into question in terms of Section 45 of the Insurance Act, 1938, as amended from time to time.

01. No Policy of Life Insurance shall be called in question **on any ground whatsoever** after expiry of 3 yrs from

- a. the date of issuance of Policy or
- b. the date of commencement of risk or
- c. the date of revival of Policy or
- d. the date of rider to the Policy

whichever is later.

02. On the ground of fraud, a Policy of Life Insurance may be called in question within 3 years from

- a. the date of issuance of Policy or
- b. the date of commencement of risk or
- c. the date of revival of Policy or
- d. the date of rider to the Policy

whichever is later.

For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which such decision is based.

03. Fraud means any of the following acts committed by insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance Policy:

- a. The suggestion, as a fact of that which is not true and which the insured does not believe to be true;
- b. The active concealment of a fact by the insured having knowledge or belief of the fact;
- c. Any other act fitted to deceive; and
- d. Any such act or omission as the law specifically declares to be fraudulent.

04. Mere silence is not fraud unless, depending on circumstances of the case, it is the duty of the insured or his agent keeping silence to speak or silence is in itself equivalent to speak.

05. No Insurer shall repudiate a life insurance Policy on the ground of Fraud, if the Insured / beneficiary can prove that the misstatement was true to the best of his knowledge and there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of material fact are within the knowledge of the insurer. Onus of disproving is upon the Policyholder, if alive, or beneficiaries.

06. Life insurance Policy can be called in question within 3 years on the ground that any statement of or suppression of a fact material to expectancy of life of the insured was incorrectly made in the proposal or other document basis which Policy was issued or revived or rider issued. For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which decision to repudiate the Policy of life insurance is based.

07. In case repudiation is on ground of mis-statement and not on fraud, the premium collected on Policy till the date of repudiation shall be paid to the insured or legal representative or nominee or assignees of insured, within a period of 90 days from the date of repudiation.

08. Misstatement of or suppression of the facts shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer. The onus is on insurer to show that if the insurer had been aware of the said fact, no life insurance Policy would have been issued to the insured.

09. The insurer can call for proof of age at any time if he is entitled to do so and no Policy shall be deemed to be called in question merely because the terms of the Policy are adjusted on subsequent proof of age of Life Insured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.
