14-07-2026	Ather Energy Ltd	POSTAL BALLOT	MANAGEMENT	Approve issuance of equity shares up to Rs. 15.0 bn through a qualified institutional placement (QIP)	FOR	FOR	On 12 June 2026, the board approved fund raise through: (i) issuance of equity shares up to Rs. 15.0 bn; and (ii) equity or equity linked securities up to Rs. 10.0 bn through preferential issue, rights issue or any other means. The current resolution is seeking approval for part (i), i.e., fund raise through issuance of equity shares up to Rs. 15.0 bn. Assuming the issue price is the current market price (Rs. 998.2, closing price as on 25 June 2026), the company will have to issue ~15.0 mn shares and the issuance will result in a dilution of ~3.8% on the expanded capital base. The company proposes to utilize the proceeds towards (i) investment in research and development, (ii) expenditure towards marketing initiatives, (iii) repayment/ pre-payment of borrowings and/or (iv) general corporate purposes or other corporate exigencies. We note that the company raised Rs. 29.8 bn (Rs. 26.3 bn through fresh issue and Rs. 3.5 bn through offer for sale) through its IPO in May 2025. As on 31 March 2026, Rs. 16.2 bn accounting for 61.6% of proceeds from fresh issue remains unutilized. The company must provide granular details in the meeting notice regarding the usage of funds to be raised and a detailed rationale for the need to raise funds in about a year after the IPO. This is an enabling resolution and will empower the board to raise funds as the need arises. We support the resolution.
15-07-2026	R R Kabel Limited	AGM	MANAGEMENT	Adoption of standalone and consolidated financial statements for the year ended 31 March 2026	FOR	FOR	We have relied upon the auditors' report, which has not raised concerns on the financial statements. We note that the auditors have highlighted certain issues related to the audit trail feature in the accounting software. Based on the auditors' report, which is unqualified, the financial statements are in accordance with generally accepted accounting policies and Indian Accounting Standards (IND-AS). We support the resolution.
15-07-2026	R R Kabel Limited	AGM	MANAGEMENT	Approve remuneration of Rs. 975,000 to Poddar & Co, as cost auditor for FY27	FOR	FOR	The total remuneration proposed to be paid to the cost auditors in FY27 is reasonable compared to the size and scale of operations. We support the resolution.
15-07-2026	R R Kabel Limited	AGM	MANAGEMENT	Confirm interim dividend of Rs. 4.0 per share and declare final dividend of Rs. 5.5 per share of face value Rs. 5.0 each for FY26	FOR	FOR	The total dividend outflow for FY26 is Rs. 1.1 bn and the dividend payout ratio is 22.1% of standalone PAT (21.9% for FY25). Though the company has a dividend distribution policy, it does not specify a target pay-out ratio. As a good practice, the company should formulate a dividend policy that specifies a target pay-out ratio. Notwithstanding, we support the resolution.

15-07-2026	R R Kabel Limited	AGM	MANAGEMENT	Reappoint Mahhesh Kabra (DIN: 00137796) as Director, liable to retire by rotation	FOR	FOR	Mahhesh Kabra, 49, is part of the promoter family and has been on the board since 1 June 2025. He has over twenty-five years of experience in the electrical industry and is the founder of Kabel Buildcon, a promoter group entity. He previously served on the board of R R Kabel Limited from 1 November 2010 till 16 December 2022 as Whole-Time Director. He has attended all seven (100%) board meetings held after his appointment in FY26. He retires by rotation. His reappointment is in line with statutory requirements. We support the resolution.
15-07-2026	R R Kabel Limited	AGM	MANAGEMENT	Approve payment of commission of Rs. 9.0 mn to Ramesh Chandak (DIN: 00026581) as Non-Executive Chairperson, in excess of 50% of the total remuneration payable to all the Non-Executive Directors for FY27	FOR	FOR	Ramesh Chandak, 79, is former MD & CEO, KEC International Limited. He is a Chartered Accountant. He also serves on the board of Ram Ratna Wires Limited, a group company, as an Independent Director since 12 November 2018. He has been on the board of R R Kabel Limited as an Independent Director since 29 April 2023 and was appointed as Chairperson w.e.f. 1 June 2025. The proposed commission of Rs. 9.0 mn to Ramesh Chandak for FY27 is significantly higher than the aggregate remuneration of all other Independent Directors. The company has not outlined a clear rationale for the increase in remuneration following his redesignation as Chairperson. Notwithstanding the limited disclosures, we understand that Ramesh Chandak has extensive industry experience, including as former Managing Director and CEO of KEC International Limited and former President of the Indian Electrical & Electronics Manufacturers' Association. His experience is expected to provide strategic guidance and direction to the board and management of the company. Given this, we believe the proposed commission is reasonable and commensurate with the size and complexity of the company. We support the resolution.

15-07-2026	R R Kabel Limited	AGM	MANAGEMENT	Approve revision in remuneration of Mahendrakumar Kabra (DIN: 00473310), Managing Director from 1 April 2026 till the expiry of his current tenure on 22 September 2029	FOR	AGAINST	Mahendrakumar Kabra, 69, is part of the promoter family and Managing Director. He is also serving as Managing Director of Ram Ratna Wires Limited, a group company, from which he draws remuneration. For FY26, his remuneration aggregated Rs. 34.3 mn from R R Kabel Limited and Rs. 13.2 mn from Ram Ratna Wires Limited. Therefore, his aggregate remuneration from both entities was Rs. 47.5 mn. Based on the open-ended proposed terms, we estimate his maximum remuneration of up to Rs 156.0 mn p.a. over the tenure of his appointment till 22 September 2029. We raise concern that the commission component of remuneration is open-ended, with no absolute cap or clear guidance on method of calculation nor the performance metrics that govern it. We expect the company to disclose performance metrics and cap the remuneration payable in absolute terms. Further, given his dual executive roles, the board should ensure that he is able to devote adequate time to his responsibilities at R R Kabel Limited. Notwithstanding this, as promoter, we understand that he is responsible for the group's performance. Given the open-ended structure of his remuneration, we do not support the resolution. Further, as per FY25 AGM Notice and Nomination and Remuneration policy of Ram Ratna Wires Ltd, Mahendrakumar Kabra will not be paid any remuneration in the form of salary, commission or sitting fees for his remaining tenure from FY25 till FY30. However, as per BSE filings, he was paid remuneration for FY26. The company should explain the discrepancy and obtain clarity on his pay structure from other group companies.
15-07-2026	R R Kabel Limited	AGM	MANAGEMENT	Approve revision in remuneration and redesignate Mahhesh Kabra (DIN: 00137796) as Joint Managing Director from 1 June 2026 till the expiry of his current tenure on 31 May 2030	FOR	AGAINST	Mahhesh Kabra, 49, is part of the promoter family and whole-time director. For FY26 his remuneration aggregated Rs. 34.2 mn. Based on the proposed terms, we estimate his maximum remuneration up to Rs 156.0 mn p.a. over the tenure of his appointment. We raise concern that the commission component of remuneration is open-ended, with no absolute cap or clear guidance on method of calculation nor the performance metrics that govern it. We expect the company to disclose performance metrics and cap the remuneration payable in absolute terms. While we recommend for the redesignation, given the open-ended structure of his remuneration, we do not support the resolution.

15-07-2026	R R Kabel Limited	AGM	MANAGEMENT	Approve revision in remuneration redesignate Rajesh Kabra (DIN: 05300677) as Joint Managing Director from 1 June 2026 till the expiry of his current tenure on 31 May 2030	FOR	AGAINST	Rajesh Kabra, 38, is part of the promoter family and whole-time director. For FY26 his remuneration aggregated Rs. 34.2 mn. Based on the proposed terms, we estimate his maximum remuneration up to Rs 156.0 mn p.a. over the tenure of his appointment. We raise concern that the commission component of remuneration is open-ended, with no absolute cap or clear guidance on method of calculation nor the performance metrics that govern it. We expect the company to disclose performance metrics and cap the remuneration payable in absolute terms. While we recommend for the redesignation, given the open-ended structure of his remuneration, we do not support the resolution.
15-07-2026	R R Kabel Limited	AGM	MANAGEMENT	Approve increase in borrowing limit to Rs 30.0 bn from Rs. 7.5 bn, under section 180(1)(c) of the Companies Act, 2013	FOR	FOR	The company seeks to increase its borrowing limit (excluding temporary loans) to Rs. 30.0 bn. They currently have negligible long-term borrowing. It has short term borrowings of Rs. 2.3 bn as of FY26 rated IND AA-/ Stable/ IND A1+ with consolidated debt/equity ratio of 0.1x and debt/EBITDA ratio of 0.3x as on 31 March 2026. As stated in May 2026 investor concall, the company plans a capex of ~Rs. 12.00 bn over FY26 to FY28. The company also plans to upgrade its existing production capacity from 66 KV to 220 KV and further capacity expansion in its Cables business. While the proposed borrowing limit provides significant headroom for future funding requirements, the company has not disclosed granular details regarding the quantum, timing or intended utilisation of the proposed debt. We expect the company to be judicious in maintaining its capital structure.
15-07-2026	R R Kabel Limited	AGM	MANAGEMENT	Approve creation of mortgages or charges on assets or properties up to Rs. 60.0 bn, under section 180(1)(a) of the Companies Act, 2013	FOR	FOR	The company proposes to create a charge by way of mortgage, hypothecation or any other charge on company assets of up to Rs. 60.0 bn under section 180 (1)(a) of the Companies Act 2013 for availing additional funding and temporary loans. The company should have provided the greater clarity and rationale for seeking an asset charge limit under Section 180(1)(a) that is substantially higher than the borrowing limit proposed under Section 180(1)(c) through Resolution #8. Notwithstanding, secured loans have easier repayment terms, less restrictive covenants and lower interest rates. We support the resolution.

17-07-2026	JK Cement Ltd.	AGM	MANAGEMENT	Adoption of standalone and consolidated financial statements for the year ended 31 March 2026	FOR	FOR	We have relied upon the auditors' report, which has raised emphasis of matter on the penalty imposed by Competition Commission of India. We note that the auditors have highlighted certain issues related to the audit trail feature in the accounting software. Based on the auditors' report, which is unqualified, the financial statements are in accordance with generally accepted accounting policies and Indian Accounting Standards (IND-AS). We support the resolution. The company must disclose the reason for having payables overdue by more than two years.
17-07-2026	JK Cement Ltd.	AGM	MANAGEMENT	Declare final dividend of Rs. 20.0 per equity share (face value of Rs. 10.0) for FY26	FOR	FOR	The total dividend outflow for FY26 is Rs. 1.5 bn. The company must explain why the dividend payout ratio is 15.0% of standalone PAT is below the target payout ratio of 20.0% to 25.0% articulated in the dividend distribution policy.
17-07-2026	JK Cement Ltd.	AGM	MANAGEMENT	Reappoint Ms. Sushila Devi Singhania (DIN: 00142549) as Non-Independent Director, liable to retire by rotation	FOR	AGAINST	Ms. Sushila Devi Singhania, 90, is Chairperson of the board and part of the promoter group. She has been on the board of the company since 26 July 2014. There appears to be a discrepancy between her FY26 meeting attendance disclosed in the annual report and AGM Notice. As per the annual report, she has attended 67% (4/6) meetings, whereas in the AGM notice, it is stated that she attended 83% (5/6) meetings. Based on annual report disclosures, she has attended only 12 of the 18 (67%) meetings held in the last three financial years. We expect directors to attend at least 75% of meetings held over a three-year period. Further, the board consists of fourteen directors of which, five are promoter directors, including three executive directors. Though having numerous family members on the board is not unusual in India, we find that five family members on the board is excessive. While her reappointment is in line with statutory requirements, we are unable to support the resolution.

17-07-2026	JK Cement Ltd.	AGM	MANAGEMENT	Reappoint Dr. Nidhipati Singhania (DIN: 00171211) as Non-Independent Director, liable to retire by rotation	FOR	AGAINST	Dr. Nidhipati Singhania, 67, is part of the promoter group and is the father of Raghavpat Singhania (MD) and Madhavkrishna Singhania (Joint MD and CEO). He is Non-Executive Vice-Chairperson and has been on the board of the company since 28 May 2021. He is also Vice President at J.K. Organisation. He attended all six board meetings in FY26. We note that he is a member of the Audit Committee (AC), which has the potential to create situations of conflict of interest: we believe that the AC must comprise only of non-tenured independent directors. Further, the board consists of fourteen directors of which five are promoter directors, including three executive directors. Though having numerous family members on the board is not unusual in India, we find that five family members on the board is excessive. While his reappointment is in line with statutory requirements, we are unable to support the resolution.
17-07-2026	JK Cement Ltd.	AGM	MANAGEMENT	Approve continuation of Ms. Sushila Devi Singhania (DIN: 00142549) as Non-Executive Non-Independent Director since she is over 75 years of age	FOR	AGAINST	Through a separate resolution, the company seeks approval for the continuation of Ms. Sushila Devi Singhania on the board since she has crossed 75 years of age. Amendments in SEBI's LODR require directors having attained the age of 75 to be approved by shareholders through a special resolution. We do not consider age to be a criterion for board memberships. Her continuation is in line with statutory requirements. However, we are unable to support the resolution due to concerns over her attendance.

He previously led operations at Mansingh Group of Hotels. He has been an Independent Director on the board of this company since 14 August 2021. He attended all six (100%) board meetings held in FY26. His reappointment is in line with statutory requirements. We support the resolution.

His experience ranges from ground-level management across multiple coastal districts to high-level strategic policy roles within the offices of the Chief Minister of Andhra Pradesh and the Union Commerce Minister during the 1990s. Post his retirement in 2022, he served as Chief Executive for the Government of Andhra Pradesh, driving implementation of Sustainable Development Goals and as the Chairperson of the Andhra Pradesh Pollution Control Board. Presently, he serves as an Executive Advisor to the National Institute of Urban Affairs (NIUA) and an Emeritus Professor. His appointment is in line with statutory requirements. We support his appointment.

The company's management believes these claims will not have to be paid, based on the current legal status, lack of supporting documents, and external legal advice. The auditors' opinion is not modified in respect of these matters. Based on the auditors' report, which is unqualified, the financial statements are in accordance with generally accepted accounting policies and Indian Accounting Standards (IND-AS). The company must disclose the reason for having payables overdue for more than two years. We support the resolution.

17-07-2026	Tech Mahindra Ltd.	AGM	SHAREHOLDER	Appoint Krishnam Parasramka (DIN: 07632711) as Director under Section 160 of the Companies Act, 2013 from 17 July 2026	FOR	AGAINST	On 6 January 2026, the company received a notice from Café Network Limited, a shareholder holding 59 equity shares of the company, proposing the candidature of Krishnam Parasramka for appointment as a director. Krishnam Parasramka, 28, is an Advocate with experience in corporate law, securities law, and financial regulations. He also leads Parasramka Projects Private Limited, which is empanelled with the State Bank of India and has advisory engagements with CFSL, a subsidiary of Central Bank of India, assisting in the resolution of securities entitlement matters and legacy investor issues. The NRC has stated that after considering the age, experience and professional background of Krishnam Parasramka they believe that he does not sufficiently demonstrate the breadth of board-level experience and exposure relevant in the context of the company's scale, complexity and governance requirements. The category of his directorship and whether he will be liable to retire by rotation is unclear. We do not support the resolution since at 28 years of age, his appointment is not in line with our voting guidelines. Further, it is unclear whether he has at least ten years of post-qualification relevant experience. We do not support the resolution.

22-07-2026	Anthem Biosciences Ltd	AGM	MANAGEMENT	Approve the upside sharing arrangement between identified promoters and Viridity Tone LLP	FOR	AGAINST	The proposed arrangement provides for profit sharing by Viridity Tone LLP (the investor) with three identified promoters, Dr. Ajay Bhardwaj, Dr. Ganesh Sambasivam and K Ravindra Chandrappa. The arrangement stems from a Shareholders' Agreement dated 1 March 2021, subsequently amended by a Waiver-cum-Amendment Agreement dated 30 December 2024. As per the scheme, these promoters are entitled to receive a mutually agreed share of the upside realised by the investor on divestment of its equity shares, where such divestment yields a return in excess of the higher of a 25% IRR or 2x the amount invested. The investor divested a cumulative 43,564,840 equity shares as part of the IPO Offer for Sale (23,251,045 shares in the IPO and a further 20,313,795 shares on 9 March 2026), realising an aggregate net consideration of ~Rs. 13,170.0 mn, on which the identified promoters are now entitled to an upside sharing amount of ~Rs. 1,276.8 million. The arrangement does not involve any payment, cost, or securities issuance by the company, and the identified promoters' cumulative shareholding remains unchanged at 71.63% post-arrangement. This arrangement bypasses standard board governance by delivering executive compensation through a private side-deal. It introduces potential conflicts of interest by tying a substantial personal payout to a specific investor's exit timeline. We believe such schemes incentivize one set of shareholders over others, which may create a conflict of interest among shareholders. We do not support the resolution

In view of the increased volume of operations planned in the coming years, the company proposes an increase in borrowing limits to Rs. 4.0 tn and to create charge, mortgage, hypothecation, lien, or pledge over the company's assets and properties. The NBFC will have to maintain the capital adequacy ratio at levels prescribed by the RBI as it follows through on its expansion plans which will ensure that the NBFC's debt levels will be at regulated levels at all times. He received remuneration of Rs. 42.2 mn in FY25 and Rs. 42.9 mn in FY26. We support his reappointment as Whole-Time Director and CFO. However, we raise concerns regarding the lack of clarity on his overall remuneration structure. While his basic salary is proposed at Rs. 6.2 mn per annum, the benefits component and performance-linked incentive (PLI), including Phantom Options under the company's existing scheme, are left to the discretion of the board. His annual fixed pay is estimated at approximately Rs. 64.4 mn; however, as the resolution does not disclose the performance metrics governing variable pay or the quantum of benefits and Phantom Option grants, we are unable to estimate his overall remuneration. The company should have provided guidance on the maximum variable pay and the quantum of grants that may be awarded during the tenure. In the absence of such clarity, we are unable to support the resolution.

Based on the proposed terms, we estimate Pawan Munjal's annual remuneration at Rs. 1,326.2 mn, which is higher than peers. We raise concern over the absolute level of remuneration, which is higher than the remuneration levels of executives of the S&P BSE SENSEX companies (Hero Motocorp Limited is a S&P BSE 100 company). There is no absolute cap on commission or his total remuneration. Pawan Munjal was reappointed as Whole-time Director designated as Chairperson and CEO from October 2021. Pawan Munjal's overall remuneration continued to increase between FY23 and FY26 despite division in roles and responsibilities. His remuneration structure contains reimbursement of medical expenses for self and family. We believe these expenses are personal in nature and should be borne by the directors themselves, which we do not favor. Given these concerns, we do not support the resolution.

This is high and disproportionate relative to the company's scale of operations. Notwithstanding, he retires by rotation, and his reappointment is in line with statutory requirements. 11-08-2026	Fortis Healthcare Ltd.	AGM	MANAGEMENT	Approve commission of upto Rs. 7.7 mn to each present and future Independent Director and of upto Rs. 19.5 mn to the Independent Chairperson for three years from 1 April 2027 and fix it as minimum remuneration	FOR	FOR	The company seeks shareholder approval for payment of commission of upto Rs. 7.7 mn to each present and future Independent Director, and upto Rs. 19.5 mn to the Independent Chairperson OR commission upto 1% of the net profits to all non-executive directors for three years from 1 April 2027. In FY26, commission paid to Independent Directors aggregated Rs. 36.0 mn, equivalent to 1.3% of standalone profit before tax. While the proposed commission for Independent Directors is reasonable, the commission proposed for the Independent Chairperson is higher than that paid to independent chairpersons at BSE 100 companies. However, the proposed annual commission of Rs. 19.5 mn for Leo Puri remains unchanged from the amount approved by shareholders in March 2025. The company has clarified that Leo Puri's role as Independent Chairperson entails responsibilities beyond standard board oversight, including board evaluation and succession planning, engagement with the promoter group to safeguard minority shareholder interests

11-08-2026	Fortis Healthcare Ltd.	AGM	MANAGEMENT	Approve payment of remuneration to Leo Puri (DIN: 01764813), Independent Chairperson, in excess of 50% of total annual remuneration payable to all Non-Executive Directors for FY26	FOR	FOR	In FY26, Leo Puri received Rs. 19.5 mn as commission. The proposed commission of Rs. 19.5 mn per annum to Leo Puri is higher than Independent Chairpersons of BSE100 companies. However, the proposed annual commission of Rs. 19.5 mn to Leo Puri is unchanged from the amount approved by shareholders in March 2025 and will apply from 1 April 2027 to 31 March 2030. The company has clarified that Leo Puri's role as Independent Chairperson entails responsibilities beyond standard board oversight, including board evaluation and succession planning, engagement with the promoter group to safeguard minority shareholder interests, oversight of ongoing regulatory matters and engagement with investors and regulators. The role requires an estimated commitment of approximately 30 days annually. Leo Puri attended all board meetings in FY26. Given the responsibilities and time commitment associated with the role, and since the proposed remuneration is capped in absolute terms for a fixed tenure, we support the resolution.
11-08-2026	Fortis Healthcare Ltd.	AGM	MANAGEMENT	Reappoint Dr. Ashutosh Raghuvanshi (DIN: 02775637) as Managing Director and CEO, not liable to retire by rotation for two years from 19 March 2027 and fix his remuneration as minimum remuneration	FOR	FOR	Dr. Ashutosh Raghuvanshi received Rs. 103.0 mn as remuneration in FY26 (excluding one-time payment of Rs. 50.0 mn which he will receive at the end of current tenure on 18 March 2027). We estimate his FY27 remuneration at Rs. 113.3 mn (excluding the one-time payment). We raise concern over the open-ended nature of his terms - there is no clarity on the quantum of target variable pay. While his past compensation suggests that the variable payouts have been within the overall limits for fixed pay, there remains a possibility of his variable pay being over and above the fixed pay. The company should cap overall pay in absolute terms and disclose performance metrics that determine variable pay. Notwithstanding, we recognize that the company has been judicious in determining past compensation and we expect the company to continue to do so. His remuneration is broadly comparable with peers, and he is a professional whose skills carry a market value. We support the resolution.

13-08-2026	Page Industries Ltd.	AGM	MANAGEMENT	Reappoint Sanjeev Genomal (DIN: 01399731) as Non-Executive Non-Independent Director Director, liable to retire by rotation	FOR	FOR	Sanjeev Genomal, 60, is part of the promoter group. He was appointed to the board on 25 March 2023, after the demise of his father, Late Nari Genomal. He attended all four board meetings held in FY26. We raise concerns over the excessive number of promoter family members on the board. The aggregate promoter representation is high with five promoters on the board, including Sanjeev Genomal. This may limit the company's ability to attract the right professional talent. We recognize that the company was founded by Nari Genomal, Ramesh Genomal and Sunder Genomal with each holding 15.37% of the paid-up share capital until Nari Genomal's demise. Therefore, we support his reappointment as represents his faction's shareholding the board. He retires by rotation and his reappointment is in line with statutory requirements. 18-08-2026	Swiggy Ltd	AGM	MANAGEMENT	Approve and fix the foreign ownership limits at 49.5% of equity ownership of the company on a fully diluted basis	FOR	FOR	The company seeks shareholder approval to cap aggregate foreign ownership so that it can qualify as an Indian-owned-and-controlled company (IOCC) under India's foreign investment regulations. As stated by the company, an IOCC status would allow the company to adopt inventory-led models for Instamart, expand into underserved product categories and improve sourcing and operating efficiencies. This could strengthen customer experience, enhance profitability and support long-term shareholder value creation. Thus, the board proposes to cap the foreign ownership of the company at 49.5% of the paid-up share capital on a fully diluted basis. The limit will take effect immediately, or from a date determined by the board, if foreign ownership is at or below 49.5% when the resolution is passed. If foreign ownership exceeds 49.5%, the limit will become effective automatically when it first falls to or below 49.5%. We support the resolution.

We support the resolution.

18-08-2026	Swiggy Ltd	AGM	MANAGEMENT	Approve insertion of certain provisions of the Articles of Association (AoA)	FOR	FOR	Under the proposed resolution, Sriharsha Majety may nominate one member of the company's senior management to the board, provided he holds at least 27,603,136 equity shares and MIH or another foreign shareholder retains the right to nominate at least one director. Phani Kishan Addepalli may nominate himself, subject to holding at least 500,000 equity shares, remaining a permanent full-time employee and foreign shareholders retaining the right to nominate two directors. While our voting guidelines generally require a minimum 10% shareholding for board nomination rights, we make an exception in this case as the proposed domestic nomination rights are intended to counterbalance the continuing nomination rights of foreign shareholders and satisfy the control limb of the IOCC test. Since MIH may nominate up to two directors, the company proposes corresponding rights for Indian shareholders to demonstrate Indian control at the board level. Achieving IOCC status may allow the company to adopt an inventory-led model
19-08-2026	Sterlite Technologies Ltd	AGM	MANAGEMENT	Adoption of standalone and consolidated financial statements for the year ended 31 March 2026	FOR	FOR	We have relied upon the auditors' report, which has raised concerns over the status of a litigation against Sterlite Technologies Inc, USA, a subsidiary incorporated outside India, by another USA based entity. Management is pursuing legal remedies and has filed an appeal with the United States Court of Appeals for the Fourth Circuit, and the possible financial impact of the litigation is currently not determinable. He has served on the board since 20 January 2021. During FY26, he attended all six board meetings. We estimate Ankit Agarwal's proposed remuneration at Rs. 54.5 – being the highest remuneration in the past five years. However, we note that as per his remuneration structure, the maximum remuneration that can be paid is Rs. 332.0 mn - which is high for the size and scale of business. So, while the past pay has been reasonable, we raise concern on the wide cap assigned on his overall remuneration. Further, his proposed remuneration terms include reimbursement of expenses incurred for travelling, boarding and lodging including for spouse and attendants during business trips: such expenses are personal in nature and must be borne by the director. Although we support his reappointment, given the concerns on his remuneration structure, we do not support the resolution.

We note the business performance in FY26 has improved with the company posting a profit versus a loss in FY25. Considering the company performance and his overall remuneration being in line with peers and commensurate with the size and scale of business. We support the resolution.

The commission paid in FY25 , despite a loss was Rs. 16.0 mn. In FY26, the company's business performance has improved with a standalone profit of Rs. 30.0 mn. 09-09-2026	GE Vernova T&D India ltd	AGM	MANAGEMENT	Approve material related party transactions of up to Rs. 51.1 bn till the conclusion of the FY27 AGM with GE Vernova Inc, the holding company	FOR	FOR	GE Vernova T&D India lends surplus balances into a cash pool led by LM Wind Power Blades (India) Private Limited, a fellow subsidiary, earning interest on day-end balances. At the 2025 AGM, shareholders approved lending of up to Rs. 10.0 bn (outstanding at any point of time) to LM Wind, which the company confirmed would be secured by a guarantee from GE Vernova Inc. However, the company did not seek approval for the provision of guarantee by GE Vernova Inc. As per the FY26 annual report, GE Vernova Inc has provided a guarantee with effect from 29 September 2025 which shall automatically terminate on 31 December 2026. The company must provide the reason for not seeking shareholder approval for the same. Under the current resolution, the company seeks approval for related party transactions of up to Rs. 51.1 bn with GE Vernova Inc., the ultimate holding company. The transactions comprise a guarantee from GE Vernova Inc. in favour of the company covering lending to LM Wind Power Blades (India) Private Limited
09-09-2026	GE Vernova T&D India ltd	AGM	MANAGEMENT	Approve increase in limits for granting loans, guarantees and security, or for making investments under Section 186 of Companies Act 2013 to Rs. 51.0 bn	FOR	AGAINST	The company's current limit under Section 186 stands at Rs. 28.7 bn as on 31 March 2026. Through resolution #9 the company seeks approval to lend up to Rs. 10.0 bn (outstanding at any point of time) under a cash pool arrangement and up to Rs. 41.0 bn (outstanding at any point of time) by way of one-year term loans to LM Wind Power Blades (India) Private Limited, fellow subsidiary and the cash pool leader. We recognize that the company may hence need to increase the limits under Section 186 to Rs. 51.0 bn. Our view on this resolution is linked to our view on resolution #9. Further, the proposed limit of Rs 51.0 bn is high against net worth of Rs 26.9 bn (1.9x), and against cash and liquid investments of Rs 15.3 bn (3.3x). Further, the resolution is enabling in nature as it is not confined to the transactions under resolution #9 — it permits loans, guarantees and investments in favour of any person or body corporate. Hence, we do not support the resolution.
